00757000	1mm SHIM	Flush/Overlap	Stackable up to 3mm (for >16mm sash/frame distance profiles)

Flush

Overlap

C.H.I.C. RANGE

ALSO FOR WINDOWS

For coordinated aesthetics around the whole building

Minimising the footprint of the sash and frame profile results in a modern, innovative aesthetic, improved thermal performance and brighter interiors, thanks to the higher glass to frame ratio.
